Lease
of
Parochial
Hall
The Lease dated 24 Sep 1900 of Parochial Hall
Enderoy, from Thomas Armstrong Esq, to the
Trustees, The Very Rev. A. Dawson, N. J. Armstrong
and Wolsey, B. Atkinson, handed to the Dean, by
consent of the Vestry, to be Deposited in Safe at
Rectory, for safe custody, on the proposition of
George Calvert, seconded by John Montgomery,

It was proposed by Geo Calvert, seconded
by N. J. Mc Dowell, that Richard Lubbock's ac
for school forms, ^{& desks} supplied to Seago School
be paid, although same had not been sanctioned
beforehand by the Vestry.

Mr. Stothers, Schoolmaster having mentioned
the inconvenience he was at for want of a proper
supply of water for domestic use and the use of

the scholars, on the proposition of Wilson Irwin seconded by Tho. J. Montgomery, the following Committee was appointed - Messrs Geo Calvert, W. J. Mc Dowell, Tho. Stothers & W. P. Atkinson, to select site ~~and order work~~ for a Pump, order Well to be sunk & see the work completed at a cost of about £7.

A discussion took place as to lighting Church with gas, when it was proposed by Geo Calvert, seconded by Tho. Stothers that the Secretary request estimates from a few Plumbers for carrying out the project, so as to arrive at a decision, whether it might be practicable in view of the cost.

The narrowness of the footpath, near to the south side of Church, having been discussed, it was proposed by Tho. Stothers, seconded by John Montgomery, that Mr. Calvert should see some members of District Council, with a view to having the matter remedied.
