

A meeting of Select Vestry was held on 7 Feb 1905 when there were present, Revs J. E. Archer & Edward Jennings, (Curates), Geo Calvert - W. J. M^r. Dowell - Thomas Stothers - J. Montgomery - Joseph Murray - Wilson Swin - Jas Albin - Jos Houson & W. P. Atkinson. Mr Archer occupied the Chair.

The meeting was for the purpose of revising list of Registered Vestrymen, which was duly done.

In connection with the Auxiliary Fund meeting, to be held first week in March, it was thought there should be at least 4 preliminary meetings held a week or two in advance, to stir up some interest in the matter & insure a good attendance at Parochial Meeting. Carre - Drumgoe - Edenserry & Acknahdy were suggested as suitable points.

With regard to proposed improvement of foot path at Church, Mr Atkinson undertook to communicate with Mr Dorman on the matter & see what could be done, to have it carried out.
