

# Seagoe Parish Magazine.

FEBRUARY, 1930.

## Opening of Seagoe School Bazaar by Viscountess Charlemont at Seagoe School, at 3 p.m., on Thursday, Dec. 12th, 1929.

We present our readers this month with the interesting photograph taken outside Seagoe School on the occasion of the Bazaar held on behalf of the renovation and upkeep of the School on Thursday and Friday, December 12th and 13th, 1929. In the foreground of the photograph from left to right are the Rector (Rev. Canon Archer), little Miss Peggy Caddell (who presented a bouquet to Viscountess Charlemont), Viscountess Charlemont, who declared the Sale open, and Capt. Robert Gracey, of Seagoe Church Lads' Brigade, and Lay Reader in Seagoe Parish. In the near front of the picture are the lads of the C.L.B. Training Corps, and in the background are members of the C.L.B. Cadet Corps. Part of the War Memorial and the Parish Church are also visible in the background. The photograph was taken by the representative of "The Northern Whig," Belfast.

### **The Magazine.**

We have not yet finally arranged the design of the cover of the Magazine for this year. We hope to have it complete for our next issue. The change of cover each year has been our custom ever since the Magazine was first issued. It adds much to the interest and value of the Magazine and is, we know, much appreciated by our readers. Would our distributors who have not yet returned their accounts for 1929 kindly do so without delay and much oblige. The publication of each issue of the Magazine implies

a considerable outlay and prompt payment is of great assistance.

### **Sustentation Fund.**

Perhaps you have omitted to send in all your Envelopes for 1929. If so please do so at once to your local collector or to the Hon. Treasurer, Mr. Hugh Stoops, Killicomaine Road, Portadown. If by any chance you are an annual subscriber and you have not yet sent in your subscription please do not longer delay. He gives twice who gives quickly.

**The Bazaar Accounts.**

We publish below a statement of the receipts and expenditure in connection with the recent School Bazaar. It has been compiled by our excellent

Bazaar Treasurer, Mr. Robert Mc'Clements. The results show that a handsome net amount is available for the renovation and upkeep of our Parochial School.

ROBT. MC'CLEMENTS, Hon. Treas.  
January 17th, 1930.

### Seagoe Sunday School.

On Monday, January 27th, the Annual Distribution of Prizes took place in Seagoe School at 7-30 p.m. There was a crowded gathering of pupils and parents. A splendid tea was provided and an interesting programme followed. The various items were performed by children attending the School and gave much pleasure to all present. Mr. Scott had kindly arranged the programme. The distribution of prizes then took place. They were handed to the children by Mrs. Scott. A large number of Prayer Books and Hymn Books were among the prizes. At the close of the evening the Rector thanked all who had kindly helped, and after the singing of the hymn "God is always near me" the gathering dispersed.

### Prize Distribution.

The following dates have been arranged for our annual Sunday School Prize Distributions:—

- Drumgor**—Thursday, Feb. 6th, at 7-30 p.m.
- Edenderry**—Tuesday, Feb. 11th, at 7-30 p.m.
- Hacknahay**—Friday, Feb. 21st, at 7 p.m.
- Carne**—Thursday, Feb. 27th, at 7-30 p.m.
- Levaghery**—Tuesday, March 3rd, at 7-30 p.m.

### C.A. Mission in Carne.

The C.A. van moves to Carne on Saturday, February 1st, and the Captain and Cadet begin their Mission in Carne Church Hall on Sunday, February 2nd, at 4 p.m. The services will be continued on each night during the week (except Saturday) at 8 p.m.

### A New Sunday School.

For the first time for fifty years a new Sunday School is to be opened in the Parish on Sunday, February 2nd. It will be held in Bocombra Orange Hall, which has been very kindly lent by Bocombra L.O.L. The hour of the School will be 3 o'clock. Mr. James Twinem, of Lylo, has kindly consented to act as Superintendent. It is just 26 years since the old Sunday School in Lylo was closed and the need of a new school in that rising district has been much felt. Seagoe Parish will now have no less than nine Sunday Schools in operation, two morning and seven afternoon. We trust that the opening of this new Sunday School in Bocombra will prove a great blessing to that district and through it to the whole Parish, so that God's Word will be spread and honoured in our midst.

### Church Army Mission.

The Church Army Mission in Drumgor Church Hall in connection with the visit of the Church Army van has been largely attended and much interest has been aroused. Captain Crawford and Cadet M'Kinney have been much encouraged in their work. The residents have been very kind, and we especially thank Mr. and Mrs. Johnston Robinson for the kind and generous help they have given in connection with the Mission.

### Our Advertisers.

Without the kind help of those firms who advertise in our columns the Magazine could not be published. We are glad to say we have no trouble in filling the available advertising space. If one drops out another quickly drops in. The Parish Magazine is the best possible agency for the advertising of goods. It circulates largely, is always read, and is safely kept for future reference. It is always turned out in good style by the "Portadown News" staff, and it appears punctually to the day each month. Scarcely a month passes without someone, who has been negligent in securing their copy in good time, coming to headquarters with a frown on their face and demanding a copy at all costs. This is of course very gratifying, though not always satisfying. Order your copy in advance and then you will be sure to get it.

### Parish Register for January Baptisms

### Miss Cherry Dawson.

Miss Cherry Dawson has returned from South America and has been revisiting her old friends in Seagoe. Everyone was very glad to see her. She has many wonderful things to tell of her experiences during so many years in the vast continent of South

America. The South American Missionary Society, under which Miss Dawson and her sister, the late Miss Mary Dawson, served, is doing a noble and extensive work under difficult circumstances. The Society deserves our hearty support. The indefatigable Bishop Every displays a marvellous energy in visiting the most distant parts of his great Diocese. Miss Dawson returned in the Mail s.s. "Alcantara," and during a fierce storm in the Bay of Biscay they passed and saluted the steamer in which the Prince of Wales was sailing to South Africa. Miss Dawson tells us an interesting fact about Seagoe Parish Magazine, that it is read regularly and with interest each month by a farmer living in the south of the far-flung Patagonia, somewhere in the neighbourhood of Tierra del Fuego and the Straits of Magellan. We congratulate him and wish him all prosperity and blessing in his distant home.

### St. Mark's Bell Fund.

Mrs. Atkinson, of Eden Villa, has asked us to publish the enclosed letters, which we do with great pleasure:—

Dear Canon Archer,—In response to the appeal published in November, I have received subscriptions amounting to £57 towards St. Mark's Bell Fund, and wish, through the Magazine, to convey my sincere thanks to all my friends who responded so willingly and generously.—Yours sincerely,

Alice Atkinson.

Eden Villa, Portadown.

January 16th, 1930.

Dear Mrs. Atkinson,—I beg to acknowledge with many thanks your cheque for £57 towards St. Mark's Bell Fund. Will you kindly convey to all who subscribed this most generous gift, the deep sense of appreciation of our Parish for their kindness? It is indeed most encouraging to us all to have received such token of good-will from a neighbouring Parish.

Believe me, most faithfully yours,

G. W. MILLINGTON.

### A Service of Song

An attractive Service of Song entitled "Paul, the Little Mediator" with lantern and musical accompaniment will be given (p.v.) in Seagoe School on Thursday, March 13th, at 8 p.m. Tickets, one shilling each, are now on sale. Children under 14 will be admitted at 6d each, paid at door. The proceeds are on behalf of Seagoe Sunday School.

### Jumble Sale

On Friday, Feb. 14th, a Jumble Sale will be held in Edenderry Parochial Hall at 7-30 p.m. Proceeds on behalf of Levaghery Sunday School Prize Fund.

### Mother's Union.

The Mother's Union will meet (p.v.) in Edenderry Parochial Hall on Tuesday, Feb. 12th, 1930, at 7-30 p.m. A full attendance of the members is requested.

### Poor Parishes Fund

Collections on behalf of the Diocesan Poor Parishes Fund will be made in the Parish Church on Sunday,

Feb. 9th, at Morning and Evening Prayer. There are many needy Parishes in this United Diocese and we ask your kind help on their behalf.

### A Hospital for Portadown.

The Rector gave evidence last week at the Inquiry in Lurgan regarding hospital requirements in this neighbourhood. He advocated a hospital in Portadown. It is greatly needed.

The children in Edenderry have had a great time of it in their new game of "Pipe walking." The big iron pipes for the new sewage works are a great attraction for walking on and climbing through. An Edenderry cat was seen walking through the pipes a few days ago, thus escaping the danger from dogs and motorists.

Much regret has been expressed at the death of Willie Fox. He was a popular member of the C.L.B. The Brigade were present at his funeral and sent a wreath.

### ITEMS.

A Service will be held (p.v.) in Mr. W. J. England's at Knock Lane on Tuesday, February 4th, at 8 p.m.

\* \* \*

"Grow more Flowers" is a good motto for spring. Now is the time to think about it. Seagoe and Portadown ought to be a land of flowers. Seagoe Nurseries are near at hand.

\* \* \*

Mr. Robt. Fiddes, of Florence Court, won the violin made and presented by Mr. Robert McClements to the recent Bazaar.

### From Seagoe to Melbourne

**Wednesday, 10th July**—We get up at 7 a.m. this morning. The sea is not just so rough and the passengers are just recovering from their sickness. We are having a concert to-night. This will help to cheer us up. The concert begins at 8 p.m., and we have songs, step-dancing, and then a breach of promise case. We finish at 11 p.m., everybody feeling much better. Clocks go on 20 minutes.

**Thursday, 11th July**—We get up at the usual time, have breakfast and then have a walk round. There is not much to do to-day, so we pass it over quietly. Clocks go on 30 minutes.

**Friday, 12th July**—Off Munikoi at 3 a.m. We get up at usual time but spend a very quiet day. This is a big change from home; no drums. We are due to arrive at Colombo to-morrow, so everyone is preparing for a good time. Clocks go on 20 minutes.

**Saturday, 13th July.**—We arrive at Colombo at 7 a.m. It is a lovely day, so we hope to have a good time. We go ashore at 8-30 a.m. It costs 1/- return. This is one of the most interesting places we have stopped at so far. There are quite a lot of English-speaking people here. Some of the natives can also speak English. You can have a rixshaw ride for about 1/- per head. These natives will bring you round all the places of interest. The last tender leaves the shore at 11-30 p.m., and we sail again at 1 o'clock midnight. Everybody satisfied.
